

FedUp PAC **CANDIDATE SURVEY** - Key Senate and House 2026 target races. These candidates or races will be critical to adding more constitutional conservatives to Congress who will help pass the full Trump agenda. Conservative activists are urged to help pressure candidates to fill out and return the **SURVEY**. Candidates **SURVEY** answers can be used to help pressure these Members of Congress should they waiver or fail to support conservative positions on key votes.

Key House Races

In 2026, Democrats will need to flip three seats to take control of the House. Competitive seats exist all over the country! California, New York and Arizona all have multiple opportunities for flipping seats. NOTE: We are still in the process of updating this table for 2026! Some of this data is from 2024.
