

# If Conservatives do Nothing, the Democrat Party Will Allow Islamic Extremists to Turn the U.S. into Americastan

## The Radical Democrat Muslim Game Plan: Low Profile to Critical Mass

Salman Bhojani

The radical Democrat Muslims who want to turn America into a Muslim dominated communist country know infiltrating key institutions of society—especially state and local-level public office—is critical to their gaining total power.

Pictured here are two Texas state representatives, Salman Bhojani and Suleman Lelani, M.D., both die-hard Sharia Law supporters who are working to impose Sharia Law within their communities.

They know the radical Muslim playbook like other Islamic extremists who fully understand you don't get involved in politics because it's the American thing to do. Islamic extremists get involved in politics because politics are a weapon to use in the cause of Islam.

## Sharia Law – Not Negotiable if Enacted Here in America

Sharia Law regulates public behavior, private behavior, and private beliefs. Sharia Law is a highly intrusive and restrictive legal code. Sharia Law rejects natural rights, would supersede the U.S. Constitution, and legalize the oppression of women.

- In a March 2026 Texas Republican Primary vote, 1.9 million Republicans voted to ban Sharia Law, the Democrats refused to include a vote in their primary to ban Sharia Law.
- When the Florida legislature considered a bill to ban Sharia law every Democrat voted “NO.”
- Democrat Colorado state Senate candidate Aber Kawas attributed the 9/11 attacks to America's “system of capitalism, racism, white supremacy, and Islamophobia.”
- Virginia Muslim Democrat state Senator Saddam Azlan Salim introduced a bill to repeal the First Amendment and make criticizing Islam a crime.
- Michigan's Democrat Senate candidate Abdulrahman El-Sayed says he wants Muslim Sharia Law for America.
- When the Supreme Court upheld President Trump's ban on travel from Muslim terrorist countries Democrats introduced a bill to repeal the ban.
- New York's Muslim Mayor Zohan Mamdani said Islam is a “religion built upon a narrative of migration” to justify open borders and sanctuary cities.
- The Democrat Party's national leadership tried to get the House Sharia-Free Caucus banned.
- Texas Democrat Party issued a statement supporting the development of EPIC City, a Muslims only housing development in Texas.
